“ You will be remembered when the flowers bloom in the spring.
In the summertime remembered
In the fun that summer brings.
You will be remembered.
When the fall brings leaves of gold.
In the winter time remembered for the stories that are told.
And you will be remembered each day right from the start.
For the memories we once shared.
Forever live in my Heart.
I Love you Mom.

“ While G-d took Nancy from our world too soon creating grief for anyone who knew her, her pleasant and laid-back character is her eternal legacy. Her memory is a blessing.
