“ *My deepest sympathies to the Molsen family. I have many fond memories of my godfather Uncle Nick. He and Aunt Bunny were great friends to my parents and I'm sure they are all playing cards and laughing together again.*

Gerry and I both worked with Nick at ORD Tower. He was a very good controller and we were lucky to know him. My first assignment as a controller was at Chicago-Midway tower and my initial interview was with the Chief, Nick Molsen, Sr. Our prayers are with the Family.
