“ Nina and I worked together for many years on the Senior Council of Libertyville. She was a great person to work with always with a smile and happy disposition. I really enjoyed her friendship.

“ Nina always had a story to tell and very interesting ones at that. Her memory was sharp and she was a delight to be around. There are some who bring a light so great to this world that even after they have gone, the light remains. RIP dear Nina until we meet again.

“ My sincere sympathies to the Hammar family. Her path and mine may have crossed at St. Andrews in the early '70's when I lived in Mundelein. Wish I had known her. She sounds like a very dynamic woman.
