“ My sympathy to the Buss children on the loss of your dad. I remember all of you well from your grade school days at Central. I can't believe your mom has been gone for 20 years.

“ Rod, Doug, Lindsay and David

So sorry to hear about your Dad. The Old Guard from IL Bell lost another great guy. Something tells me he has reconnected with my own Dad (Bob Gosch), Gale Smith and then rest of the group and are swapping stories about the old days over a beer or two.

“ So sad to hear about Uncle Norbie's passing. Many memories came back of all the wonderful family get togethers we shared and happy that I did see him again at his 80th birthday party. Could not have asked for a better family to grow up with. Love, Annette

“*Doug, Mary and Buss Family: Deepest sympathies on the passing of Norb. He was a good man and father and it was a pleasure to know him and talk to him about fishing and other topics "on the driveway". We will miss him too. Your friends, the Lazar family-friendly*

“*Dear Rod and family,
I was shocked to come across this today (4-24-14). I have such nice memories of your folks and am sorry both are now gone. I always thought it was funny that you called him "Norb" as an adult. That you were able to integrate him into your company, Buss Landscaping, for various jobs was always something I admired. It must have drawn you closer in some ways, and I kind of envied it. May he rest in peace, a real gentleman and friend from my childhood. Love to all, John*
