“ Although I did not learn of Norma Jean's death until March of 2017, I still would like to extend my condolences to her family, my extended family. I have nice memories of the many letters she wrote to me through the years, later passed into the hands of my sister. She was the fine wife of a fine uncle to me. Keith always had a nice word to say when visiting. I mostly have memories of the home they had in Mound, MN. Thanks to both for being a part of my life. Dale Bailey.
