“ I used to race slot cars with him in the mid 70s in Zion. He used to pick me up for racing on Fridays in his Pinto wagon he had. I believe he was living in a trailer at that time in south Zion. I lost track of him by 1979 but remember many good times spent with him. I only wish I could have contacted him before his passing to talk about the old times which were good times. I am very saddened that I had not searched him sooner. My thoughts are with his family. - Brent (Wauconda, IL)

“ So sorry to hear of Norm's passing. I enjoyed working with him at the Post Office and will miss him. I feel badly that I was unable to attend his service and want his family to know what a huge help he was to me on many occasions at work. God Bless and RIP, Norm!
