“ *We loved Olive. We'll always remember talking with her at the church office in Libertyville, always with a big smile and gracious greeting. We also remember her many mission trips with Wildwood Presbyterian Church, what an inspiration she and Bud were and are. And we love her through her kids and grandkids and great-grandkids, all of whom brought her much joy. Our love and prayers are with you as you celebrate her life and grieve her passing into eternal life.*

*Love,
