“ *I was shocked and saddened by Pam's untimely passing and wish to extend sincere condolences to her mother and family and friends. The beautiful striped hostas she gave me 7 years ago when I moved away now have new meaning for me when I look at them, remembering her kindness, generosity, thoughtfulness, and compassion for people and animals alike. She always did what needed to be done, no matter the personal sacrifices. I remember her as a woman of great strength and conviction, and a champion of justice.*

*Thank you Pam, for all you did for me over the years that we were neighbors and friends, and for all the kindness and respect you showed your next door neighbor on the north, my mom.*

*I will never forget you. Peace and love,  
Sue Tinkle*

“ God has a special place in heaven for Pam & she will live on in the hearts of many. Cancer is unrelentless. Growing up we cherished our summers together at Gram's farm. Two cousins who grew up as sisters. Pam always had a love of animals, fostering & adopting many. She enjoyed her volunteer time, making a difference to those in need. She was so proud to be Godmother to Steve & "Auntie" to Dean (Robin) & Bob (Amanda). Thanks for the memories--See you on the other side of the river! Love, June xoxo

“ I am so sad to have lost a new friend. My husband and I moved in next door to Pam this year and you could not have found a friendlier neighbor anywhere. We did not know her well but she was a friendly, generous, and thoughtful woman. I am sure her passing is a great loss to her loved ones and those who knew her well. Our sympathies to her family and friends.

Warmly,  
Sue
