“ When I was beginning semi-retirement in 2011 I decided to volunteered my new-found spare time at the Libertyville Township Food Pantry. After a brief interview, I was told to show up next Tuesday and ask for Pam and she will show me what to do. Pam greeted me with a big smile and showed me the ropes. We worked together filling orders for pantry visitors for 3 hours twice a month. She was such a joy to work with. Great conversations and much laughter. I don't think she ever had a "bad day." We bonded over our kids, our grandkids and Northern Wisconsin. Pam's family enjoyed an annual vacation in that area, and I grew up there. My deepest sympathy to Ed and their family. She is missed!

“ I met Pam at a ladies gathering at church about eight years ago. When I arrived I felt led to sit in a particular chair at one of the tables. Shortly after, Pam arrived and sat right next to me. We hit it off instantly. Pam was such a warm and connectable lady with a great sense of humor. My friend Michael and I went out for dinner with Pam and Ed many times over the years. We had interesting conversations and lots of laughs. I look forward to seeing my precious friend again someday in the eternal presence of the Lord.
