“ *I was so sorry to learn of Patty's passing. She was a lovely person. I remember my first day at LHS, new to the area and not knowing anyone. She made an effort to make me welcome. We lost track of each other long ago, but every time I go to the Renaissance Faire, I remember her and how she enjoyed being part of it. Be happy, Patty.*

“ When I made my one visit back to Mckinley Ave in 2003 there you were standing in front of your house looking at my wife and I. When I stepped out of my car you immediately knew who I was and ran to me and hugged me and kissed me like we had never parted ways. You pointed across the street and said "There's your tree Earl." The one I lived in as a kid. You took me inside my old home at 329 and literally made me feel so welcome I cannot describe. Your Mom, Dad, Doug, Wayne and you Patti have always been in my memories. I do not miss much about Libertyville.....but I do miss you. Thank you so much for the heartfelt memories of my life and visit on McKinley Ave. Always.EarlRest in Peace
