All of us that worked with Pat are deeply saddened by the passing of our colleague and friend, Pat. His dedication, kindness, and positive spirit touched everyone who had the privilege of working with him. Pat was always willing to help others. Many times he worked with newer members of the team to help instruct them. His contributions to our team will not be forgotten. Our thoughts and heartfelt sympathies are with Pat's family and loved ones during this difficult time.

Your family is in our prayers through this difficult time. Both Todd and I had the privilege of seeing Patrick grow up until he moved back east and we are thankful. Our condolences to Nancy and Steve.
