“ Oh the memories we shared. How we would laugh in my car for hours and talk about anything and everything together. I had the biggest crush on you!!! I was so sad when things didn't workout with us, but I'm so thankful we stayed close friend. I love the friendship we shared. How much you cared for me and those around you. You loved so deeply and selflessly. You had the kindness and most beautiful soul. I wish you knew how deeply you were loved. I can't wait to hold puppies with you some day. I will miss you, all of you, until the day we meet again. I love you forever Packs ❤️

“ *When Packy, and his brothers, lived across the street from us, I remember he was the little kid who ran around the neighborhood like a spark plug, always with a huge smile on his face. He had so much energy I got tired watching him. Whenever we came into Morgan's, Packy had the same smile and energy that I remembered when he was a kid. He never seemed to be tired, but always upbeat and excited to see anyone come through the doors. He was always polite and made us feel so welcome and relaxed. Packy, we will miss your huge smile and heart.*

“ *Packy was always that "funny" kid that made you smile instantly. Knowing Packy as an adult was a pleasure. I watched how he interacted with his customers at Morgan's he was amazing. Especially with the "older" folks. Helped them in and out... He strived to be professional and always on the ball, which he was. Controlling some of our obnoxious bar antics it's easy, but he tried his best. :-) Packy - thanks for never telling Kevin I was smoking, he keep a good secret. I love you. I will think of you everyday.*

“ I was Packy's second grade teacher. I can't tell you how sad I was at hearing the devastating news about his passing. I will always remember him as a sweet and loving boy who always had a smile on his face. I loved having in my class! Prayers to all of you. Thinking of you,
