“ Dear Jan, Lindsey, Lauren & Sean -

I am deeply saddened to hear about Pat. Pat was a great friend and I enjoyed work and play with him. Always with quick wit and humor but always willing to help in any way he could. I know he loved you guys very much as a discussion about family would always find it's way into our golf trips, card games and other activities.

I wish I we could've been there for you all. We will miss him but know his spirit will be in our hearts.

*Love to you all,
Ken, Annette & Sean Filpi*

“ *I am so sorry I learned of Pat's passing tonight, after his service had taken place. I would have been sitting with you, albeit virtually. There are no words to express how sorry I am. I wish I could give you a hug and I wish to God I could take your pain away. You were blessed with a great love. I pray you and the kids can take strength from each other and that your hearts will soon be filled with wonderful memories of joyful times as you share them with your grandchildren. May his memory be a blessing.*

“ *God blessed Pat with a beautiful karma for helping others. Pat was a unique person who made a difference just by being who he was. His willingness to use his wit, humor, and intelligence helped many of us secretaries at Motorola and was greatly appreciated by us. He was a good friend who will not be forgotten but will be remembered in our hearts and memories. His leadership was par excellent and is what the world needs now. With my faith, I know that Pat's spirit is being embraced by the Lord. Rest in Peace.*

“ *Speechless!! We have always been one big happy family and you will live on with all of our wonderful memories we created. Some were a little crazier than others and just too many to share. We love you and miss you. Marcy, Bruce and the rest of the Cole Family*

“ Pat was a great person that was also a great boss. I worked directly for Pat at Motorola. He taught me many things, some of which were actually work related. The world lost a tremendous asset.

“ Patrick was one of those special people who was great at everything. To list a few: great husband, father, grampa, brother, uncle, and last but not least, cousin (mine). He was also a terrific businessman, sports enthusiast, good golfer, and most importantly to me, he could fix anything, a true handyman.

Pat leaves a wonderful family. He loved and cherished them and they indeed did the same. It was special to see.

Though Pat is no longer with us physically, he will always be in our memories, close to our hearts. We love you and will miss you!

Love, your cousin Camille
