“ I will always remember Patrick as my best friend's cool little brother. He had a charming personality and was always fun to be around. "Pato" was a generous and mellow soul who was fun to hang out with. Our loss is God's gain, he will be sorely missed by all who knew him.

“ *Pat was always a person who was willing to help in any situation, and had a "bigger than life" presence. We talked about his family trip to Disney World and how much he was looking forward to it. He was one of the sweetest and kindest men I've ever known. We will miss him greatly at Creative Technology.*
