“ All of our prayers, love, and support go to the extended Johansen family. We loved Per very much and we were all so blessed by having him in our lives. What we remember best about Per is always sweet gentle nature and how much he loved his family and how much he loved Norway. We always enjoyed our time with Per and Svanhild "Nana" and they both have influenced our children very much. Per was a great example of what a loving husband, father, and friend is - he lived life to the fullest and would always reach out with a loving handshake and hug. "kan du hvile i fred" (May he rest in peace in Norwegian).
