“ *My husband and I were on the cruise for Denise and Paul's wedding, and throughout the days of the cruise, we went around and captured video interviews of all the attendees and parents of the bride and groom, to give to Denise and Paul as memories of their wedding.*

*Seeing how choked up Phil got when asked to say a few words to Denise and Paul for their wedding memories, showed how much his daughter meant to him and how much he loved her.*

*My deepest condolences to Denise, Paul and the entire Soll family. My thoughts and prayers are with you during this difficult time.*
