“ I worked with Judy at Dr Meltzer’s office, many mornings we watched the sun coming up. So sorry for your loss she was wonderful to be around. Sandi Schroeder

I lived at Glenview Court with Judy and Terry. They were terrific neighbors. We did so much together, having each other over to our homes for dinner, driving into the city to check out so many restaurants, seeing Cirque du Soleil a few times together and so much more. Judy and I even went to an Elton John concert together. They were lovely neighbors and wonderful friends. May they both now rest in peace.
