“ I met Ralph 20 years ago working at Allegiance - Colonial - Bergen in Lake Zurich. We worked the 2nd into 3rd shift stockless dept. together. Funny - I was technically his boss IF that is possible ?? We then transitioned to Cardinal Health. Too many funny stories to tell. Oh he will be missed. God Bless Ralph and God Bless the loved ones he leaves behind. You all gain a Guardian Angel and for Heaven they get a Great Guy.
