“ To the Entire Dreher Family,
The world is a little less joyous and fun, now that Ramona is no longer here. Isn't that so? I will miss her hearty laugh and the way she approached each day with such vigor. My Aunt Ramona always had her door open to a wayward Coulter (there are a few of us who have camped out under your roof!) and she loved her family dearly. When I became a minister, she quickly became one of my biggest fans, never failing to read my sermons online and reply, "That was a good one Jason!" I loved her so much and grieve with you at her passing. Let's get together soon and raise a glass of pinot grigio in her memory!

“ Dear Uncle Red, Dean, Dawn, and Sandy- I am so very sorry for your loss. Aunt Ramona loved you all so much and I cannot even imagine how painful this has been for you all.
Aunt Ramona was so special and I loved spending time with her, hanging out and hearing stories about the family and her childhood. I learned so much about our family from her and she was so generous in sharing her memories. She was also a very cool aunt....successfully crossing the Wisconsin-Illinois border and living the high life in the Chicago area. She was a trailblazer and showed all of us Coulter children that you can be a Cheesehead and still live happily in Illinois:) I will miss her dearly but know that there is a spunky part of her that will live on in us all! Holding you all in my heart during this unimaginably difficult time❤️ Jenny Coulter Zuluaga

“ I met Ramona many years ago and always appreciated her zest for life and quick wit. I saw her recently at the hair salon and she was still so entertaining.
She has definitely passed that character on to her children and grandchildren.
But what I admired about her the most was the love and devotion she had for her family.
I know that they will miss her dearly as will all of us who only got glimpses of her larger than life personality.
