“Megan - you don't know me, I was a classmate of Randy's. I have moved to Wis. and planned to attend the service tonight, but chose not to, due to our evening road conditions. I grew up n Lib. Moved to the south end of town late in grade school. Randy was one of the first people I met and he was very kind to me. Please know, I extend my most gracious and heartfelt intentions for his peaceful resting. Very best wishes to you. Polly Smith
