“ As a regular golfer at White Deer since it opened , every Sunday started joking with Dick on the first tee. And then seeing him "motor" his way around the course as we played. He was a fixture of our weekend and a real gentleman . He will be surely missed my me and our group.Mu sincere condolences to his family

“ I have been a member of white deer run golf club for many years. We have had a permanent tee time on Sunday mornings. The truth is that Sunday mornings will not be the same without Dick there. We shared nothing but good times and good stories. He was as kind a man as I will meet and he will be sorely missed. When someone with such an obscure relationship as a starter at a golf course leaves this kind of impression, that is the true testament of the wonderful person he was. I wrote this with tears in my eyes, but with a smile on my face. May he Rest In Peace and his memory reign fsupreme.

“ Dick was such a kind gentle man. He was my coworker at White Deer Run and always upbeat and smiling.He was a joy to work with always friendly. He loved coming in on Friday nite Fish Fry with his friends and subdivision. They always made us laugh. He will surely be missed. My prayers and thoughts to the family and friends of Dick. He loved playing golf on his time off and stopped by to always say Hello to the employees and guests. May the angels above watch over you. God Bless

“ I had not heard that Dick had passed away. We normally checked in with each other periodically. Dick was my boss and later on in our friendship, my mentor. It had been awhile since I received a email ,and my email to him was not responded to. The phone no. was also disconnected, so I couldn't reach him, It was then that I suspected he was gone. I don't have the phone no. for Heaven so I will have to say goodbye from afar. I'll miss the knowledge ,I'll miss the discussions and problem solving sessions. He was a great boss ,and there were many times when I realized I should have taken his advice ,when I didn't. I'll miss the good times we had with the crew in the city. I'll miss "the whole nine yards " as he was fond of laying out his thoughts and a possible direction for us. Most of all, I will miss the friendship we had and the ever present smile. Godspeed Mr Ciarrochi-hope to see you again someday.
