ME

“ *To Linda and family,*

We were so sorry to hear the news of Rich's passing. The last time we saw him was at Hackney's eating a burger and probably some fried onion rings. :) I know he was dealing with health issues even then, but he seemed in good spirits.

He was always such a kind man. I know he was also an incredible family man who would do anything for anybody who needed it.

Please know we're thinking of you all today.

With love,

Melanie and Dennis McGauran
