“ *I loved coming to visit years ago. Dick gave my ex-husband Roland & I a birdhouse when we married. How I cherished it. Greta and John and all of us would always visit when at the Birdsells. So supportive when we had our son Samuel with Down Syndrome. My heart goes out to his loving wife and family.*

“ Dearest Mary and family- We are so saddened by the news of Dick's passing. Some of my earliest memories are of parties at my aunt and uncles house with you guys always there. The birdhouse that stands outside my first business was made by Dick, as well as numerous beautiful wood garden pieces we have. We will miss his laugh and ever present smile. Rest in peace, dear friend. Love Cheryl and Astrid
