“ I just wanted to say how sorry I am for your loss. I met Bob many years ago when I worked for Italian Ovens in Grayslake. He came in a couple of times a week to have dinner and some conversation. Over those years we became friends and I truley enjoyed his visits. I really enjoyed listening to his stories or looking at his model engines or seeing pictures from a trip. I even found out that he knew my Uncle Vernon and Grandpa, who both have passed, and used to spend time down at my Uncle's auto shop in Mundelein with them. He was a very kind person and even called me every year to wish me a happy birthday since our birthdays are close together. He did this even after I left the resteraunt. But, what really touched me, was that when I got remarried Bob, came to the church and gave me his best wishes. So, again I am sorry for your loss and I will keep your family in my prayers and Bob will always have a special place in my heart.
