“ Dear Debbie, I just found out about your dad, and I am so sorry. I enjoyed all your stories about him when I was still working with you at Washington and I enjoyed the photographs you posted of your dad on Facebook. I admire what a caring and loving daughter you were and how much you honored your dad. My prayers are that you will always have happy memories to comfort you and bring you warmth and smiles. May God bless you and your family and embrace all of you during this time. Peace, Love, and Heartfelt Sympathy, Mariana Peterson
