“ In 1990 Bob made the decision to offer me a position with Pioneer Plastics. A decision that literally changed my life. Bob knew what the right decision was. In his style he asked for advise from others. I always felt special because I was one of 'Bob's sales guys'. I knew he was always watching out for my best interests. He made you feel as if you were 'always driving even though his foot was on the gas pedal”.

“ In the twelve years working with Bob, I have gone from wanting to terminate Municipal Equipment to being blessed by the relationship between Lion and Municipal Equipment. Bob had become a trusted partner and friend. His honesty, dependability, creativity, personality and humor will be missed. Last week left a huge hole in my heart. Bob, Flo and Matt will be in my prayers every day for the rest of my life. Good bye good friend. John Weaver, Regional Sales Manager, Lion and Bob's friend.

“ On behalf of the Central Florida Fire Chiefs Association please accept our sincere sympathy on the loss of Bob. He was such a great supported of the fire service and our needs. You can rest assured that while his mind may have been on the business and sales, his heart was in helping our firefighters safely and effectively do thier jobs, and for that, we thank you. God Bless all of you.

“ My deepest sympathies to you all. Bob was a great man, and will be sorely missed. He always took to the time to make you feel important. His success never impeded his ability to remember where he came from, and he always treated people as his equal. He was demanding, but not as demanding as he was of himself. His work was his passion. The fire service has suffered a great loss by his passing. I know I have lost a dear friend. From my family to yours, we wish you strength and peace in your time of need. May God bless and keep you.

“ Please accept my dearest condolences for I found Bob to be a mentor, friend, partner of sorts and true professional in the light of some very uncomfortable business dealings. I found his humor, since of business ethics and strong leadership a true mentor in spirit and a long term effect on many, Godspeed Robert, a void felt by many who knew you well not easily over come. “ *What a great guy to work with. Although we only met on 2 occasions, we worked for years via the internet and phone to create advertising, print and web design for MECO. Proud of his family and a great friend to the firefighting industry. It was a joy to know you, Bob, you will be missed.*

“ *Bob, You are so missed and so loved. I know that your family, friends and business associates will be there for your so loved family. It already is not the same with out you here with us in this place. I know that where ever you are, is even better, but until we are there with you, you will always have a place in our hearts. I am so glad I got to know you better to realize what a beautiful caring "pussy cat" you are. And I so enjoyed hearing and seeing the love in your eyes and heart when you talked about having Aimee here to be with you during your trips to Mayo. You married a beautiful caring generous, funny woman and raised 3 outstanding children, now adults who are so proud of you. What a wonderful life you were blessed with. Until we meet again, I will always remember you with a smile in my heart. I treasure my friendship with your family and thank you for sharing. xoP*
