“ Dear Song, Bobby, Susie, and Vicky— and all Bob’s loves ones, we just found out about Bob’s homegoing. It’s been a long time. We met Bob back in 1987. He was our wonderful landlord for 3 years. Though we have been out of touch, our hearts will never forget our wonderful three years with Bob and your wonderful family! Bob was patient and kind and a godly man who loved Jesus with all his heart. We appreciated his humility and his love for his family. Scott remembers working for him at Karry Brothers while we were at Trinity. Bob was patient and kind and a godly man who loved Jesus with all his heart. We appreciated his humility. And his love for his family. Scott remembers working for Bob at Karry Brother’s and the artistic sketches he used to draw on paper napkins! He was a kind landlord and while we are sad to discover that he is no longer here on this earth, we have hope that one day we will see him in eternity because of Jesus. God bless you all— we miss you! Hugs, Scott and Paula Starker paula.starker@gmail.com.

“ Bob, you were one fine Brother in law, and one outstanding Brother in Christ. In the past 34 years of being a part of the family, you taught me so much about being a man, honor, integrity, knowing from where our Blessings come from, and just Being a Blessing, to others. You taught me about basic mechanics, barbecue of Kalbi, making pasties, fishing in Canada, making clocks, acts of kindness to others less fortunate, sharing of your gifts with others, The Word, and getting it out there, honesty and integrity, living a more meaningful life as a " Believer", being a better person, and leaving this Earth a better place than whence you came. I so respected and admired you and the heart which shared with us all. Yes finally, your suffering and pain is over you are healed, restored, anew , and returned home. Please save me place in Vahala, until we meet again, and until that awesome day we all, shall miss you forever and ever.love, Steve, Moon Suk, and the children that you blessed.....

“ Dad - thanks for being my dad - I have many good memories - like eating fish with you and the Sunday dinners you cooked - going on family vacations to Florida - the tree house and swing you made us kids - you were good to many people through the years. The one thing you always asked me whenever we talked was if I was going to church. I know you believed in God and Jesus and are at peace with them now. Thanks for being my dad.

“ Pastor Song, I just learned today of the passing of Bob. My sympathy and prayers are with you and your children. Stan passed away four years ago, and the comfort and peace of the Holy Spirit have been very precious to me. I pray you are also experiencing God's presence in such a way. I am living near Chicago, in Cherry Valley, Illinois and would like to visit with you at your convenience, if you would be open to that. My phone number is 419-630-3712, and my email is mlev@wedeliverwellness.com. I wish you God's blessings. Love in Christ, Mary Leverett
