“ I only meet Mr. Keyes once. At my sister and Craig's wedding in San Diego. We were in the limo bus with him going to the restaurant. Since I was a avid amateur military hobbist. We talked briefly about his time in USAAF back in WWII. I still remember couple of his stories vividly to this day! I realize it was quiet an honor to meet a member of Tom Brokow "Greatest Generation". I will always remember my one time meeting him and coming away with the lasting memory.
