“ Bob was a warm, caring person who cared for those around him, never himself. He brought his Grandma Krier out to California for his brother's wedding. His Mom and Dad loved to play golf; he took them on a special trip to Scotland to play. Thanksgiving would find him serving meals at a soup kitchen. Bob and Mike, his brother, shared a kinship few siblings will ever have. We will miss him. Uncle Bill and Aunt Glor.

“ Dear Pat, Andrea, Bob jr. and Briana,
There are no words to say, when the young and healthy are taken from us so suddenly. It is times like this that serve as lessons for us and others to remember to say, I Love you, or Thank You everyday, for even the smallest of cause or reason, for we don't know if their will be a tomorrow. Rest knowing he is met by Grandma Krier, and his father, and he is never alone. you are and will stay in my prayers.

Sincerely and with much love,

“ Dear Andrea, Robert and Brianna
My thoughts and prayers are with all of you at this time. It is a difficult time, but know that there are many who are with you at this time.
I wish I could have been there today, but I do not like to drive that far by myself. I was going to call Beth, but I did not.
I hope all of you are well. I think of you often Andrea which I look in a drawer I have and I have the bibs that you made for my grandchildren who are now 16 and 18.
God be with all of you and keep you safe.
Bob was too young to leave this world, but I know what it is like because my husband John died at 59.

“ Andrea and Krier Family, On behalf of everyone associated with Northwest Community Hospital, I want to extend my heartfelt sympathies on Bob's passing. Bob was a dedicated, can-do leader who made everyone around him feel valued and important. In his volunteer work with NCH, he helped raise millions of dollars that positively touched the lives of others. I was blessed to work with him at NCH, but even more blessed for the opportunity this gave me to know him as a friend. He shared stories of his family often and always with a smile and sparkle in his eye. His love for you shone brightly. He was a special man. Warmest regards.

“ To Bob's family, I was so saddened to learn of Bob's recent passing I was out of town for the holiday with my family so was not back in town in time for the visitation. Bob was a truly great guy, a gifted businessman and a good friend. I have many fond memories of him but one that stands out in my mind was of our golf at Ivanhoe, for the member guest he invited me to attend with him several years ago. He played incredibly well and but for the anchor he had to carry around the course that rainy Friday, e.g. me, he would have won the event. We had a great dinner that evening with the boxing, steaks and lobster and a truly great group of men. I will miss him and hope that you are all doing as well as can be expected during this very trying period. I wish you my deepest sympathies and hope that with the passage of time, the heartbreak you must all be feeling abates somewhat. Warmest regards, Bob Chodos
