“ To the family, Bob started off as our neighbor and became a great friend as well. He along with the late Tom Gerry enjoyed going out for breakfast and they started what became the neighborhood Breakfast Club visiting different and far flung places. Along the way, Bob would share history he had uncovered during his career with Illinois Bell. We all enjoyed his many observations. We will truly miss his presence. Although Bob now rests in peace, these memories will remain with us all. Please accept our deepest sympathy. Jim and Sue Schuler
