In the short time I knew Bob at the Seminary, I knew he was a very special man. He was always in a good mood and a pleasure to be around. He had just stopped back in the office to drop off candles as a belated Christmas gift. It was so sweet of him to think of us. It is so unbelievable that he was gone the next day. I sadly did not get to see him.

May the perpetual light shine upon him and may he rest in peace. We are all better to have known him and his light will never be extinguished as long as we remember him.

Its been a long time since our high school days, but Wolffee was one of a kind. 30 years later crossed again at Donelli's , smiling and holding court with some of the guys. Too early , will be missed
