“ I only knew Roberta a short time having met her at a Hardware Show 3 years ago. We chatted regularly during business calls and I gave her information that resulted in the Handi Tread products being placed in the Ace Hardware Warehouse. I last saw her at the Ace Show in August and we made plans to have dinner during the Spring Ace Show. I will miss her and regret the fact that I never got to know her better. Thank you Roberta for your friendship. Sleep Well!

“ Roberta you will be truly missed & missed by so many. You were such a great friend, always giving so selfishly to so many people. I'll remember our long talks, tons of laughs and picnics. My prayers to your family and the kids.
