“ Ron was a close friend, and was one of those rare people who truly always thought of others first. He was always ready to offer advice or help anyone .We shared an appreciation of old and new high performance cars, and the annual trips to Volo car museum will be greatly missed!

“ Ron was a good friend and a kind man. I met him as we sold Long Term Care insurance together. I found him to be a person of high integrity with a heart for others. A Christian man who truly valued others above himself. We encouraged one another over an occasional lunch.I will miss him greatly.

“ I always enjoyed going antiquing and to the Air and Space Museum with Uncle Ron at Green Lake. My favorite memory was when we went to the Air and Space Museum and I got to fly one of the airplanes. He'd go for a ride in the planes almost every time we went.

“ I'm so sorry for your loss. Ron was a special man and a friend to many of us while in Terre Haute. We spent lots of days boating on Sullivan Lake and traveling here and there. My husband and I bought our first house with his help. He was a good person and I'm sure he is missed by many. Sending my sympathy.
