“ *Due to the Covid, I could not attend the service, but I wanted to share my sincere sympathy in the loss of your father. We always want one more day, don't we? I hope your move to Naples from California provided you with a lot more memories to console you at this time.*

“ I’ve known Roy all my life as our parents were best of friends. And so I’ve known his children and grandchildren as we shared so, so many Swedish Christmas Eve celebrations over the years. The Holmgren clan is so fortunate to have had him in their lives for so long. A tough Swede for sure 😊 but with a warm and loving heart. I love you all and have hopes to see you post pandemic. Perhaps in Minnesota next summer?
