“ I have such fond memories of my grandparents. The weekends spent at their home in Libertyville were what created my childhood memories. All grandchildren should know the love that they shared with us. I love you Grandma! I will miss you terribly. I hope you and Grandpa can now start your new journey together.

“ Those of us that are 40 and older can share some great memories, starting with Sally and Wally, Jean and Carmen, Linda and her family, Mike and the extended Mobile family. Some of us were the "kids" then, starting new families that have now added their own to the ranks. As time has passed, Jean and many others are gone, as is inevitable for all of us. But now we should be revisiting all the good times, which were many. I can't be there but I can still celebrate her life as everyone will. Here's my wish for all of us to find spiritual peace at all stages of life...be good to each other.

“ Growing up across the street from the Mobiles, since 3 years of age, afforded me the wonderful opportunity to have Debbie as my oldest and dearest friend, and Jean as a second mom. I so loved that she always referred to me by my childhood name, "Bette Sue", and she was one of the only adults I called by their first name. I remember her as so beautiful, full of energy, and had such a love for life. Her smile is ingrained in my memory, as is her wonderful laugh. I am thankful she is part of my history. Love and prayers go out to all of Jean's family, especially my dearest friend, Debbie. I will miss your mom.

“ *Chrissy and family, I'm sorry to hear of Grandma Jean's passing. I still remember dancing with her on the kitchen floor of the Richards house one evening and having a blast. We could have "twisted" all night. She was a lot of fun and I'm sure she will be greatly missed. My thoughts are with you all, Kathy*
