“ It's hard to imagine a world without Rusty in it. He had such a huge personality! Every time one of the cars he'd sold me went in for service, I would make sure to seek him out. Over those 25 or so years he never failed to make me laugh (usually with a really bad joke that we both enjoyed), care about my world, and treat me like a good friend. I've thought of him often in the 10 years since I moved from Lake Bluff, and hoped he was doing well. Rest in peace, Russ.... I am so thankful to have known you and been a little part of your world.Marcia Wilhelm, Ruidoso NM
