“ So many memories-cub scouts, parent get togethers as kids went to so many dances, watching our kids grow up, the girls shared birthday parties. Wonderful times. Loved the Florida visits and catching up with old friends. Going to miss you Russ

“ Russ worked more than 35 years with S&C Electric Company. I had the privilege of working with Russ for 26 of those years. He put his heart and soul into every project which made it a wonderful experience working with him. His passing will be a great loss to his family, LCP, S&C, and to me.

“ *Russ had a heart of gold. He was always looking out for his employees. When we went to paper shows Russ was the first person to offer to give me a ride. My favorite memory is him sharing his cookies with me that Terry would pack in his lunch. There is a void here at LCP, he will truly be missed and never forgotten.*

“ *I was deeply saddened to learn for Russ's passing. I had the great pleasure of meeting and working with Russ at Lake County Press. I had the utmost respect for his knowledge and professionalism. Although our relationship was printer- vendor, I considered Russ a friend and he will be deeply missed. May you find strength in the love of family and in the warm embrace of friends.*

“ I'm saddened and so sorry for so many of you that will miss him in your day to day lives.

Next to my own father, Russ is the most honorable man I've ever known. I had the pleasure to meet Russ several days before our company joined with LCP & I did so in a Sales role.

As a leader, boss, mentor, and friend, I trusted him, admired him & really loved him...He made our transition "safe" and gentle, and secure.

I still get a Christmas card for his lovely wife Terry 15 years after working for him for 1 year.

I'm grateful for all of us that could learn how to lead a major #1 company with a dynamic staff of personalities & show us that it is possible to do with kindness & respect.

Rest In Peace, Russ.

Very very sad.
