“ *Aunt Ruth was a very special person in my family's life. As far back as I can remember she was always there, whether it was bringing some special treat to our holiday celebration, having Christmas Eve dinner at her house, always. (she would make the most special things for my sister Betty Lou and I) I can see her now, always in perfect dress, and hear her laugh, especially when Uncle Maurice started one of his stories.*

*She will be missed but never forgotten and always loved.
