My Aunt Ruth will always hold a special place in my heart. I grew up with her, playing Board games & cards. She always had little gifts at the end of each visit. I could talk to her about anything, just like a Mother. I'll miss her smile & hugs. If I know her, she's playing the piano in Heaven. Love, Linda

*I am so sorry to hear about the passing of Ruth. I send my thoughts and prayers to the Hansen family; especially to Beth, Lindsey and Jay. I know the last few years have been especially difficult for all of you, so please take good care of each other and yourselves. May you be blessed with hope and love.
