“ I went to Copeland Manor elementary from 1986-1992 and I will always remember sweet Mrs. Luce in the library and how good she was to all of us. We loved listening to her read stories to us and she was always so helpful with finding new books and teaching us new things. In more recent years, I saw her often when visiting my own grandmother at Spring Meadows. I was always amazed that she remembered me and my siblings. Her smile and kindness never changed. I am so sorry for your loss- she was a wonderful woman and I will always have her smiling face in my memories of elementary school! May God comfort you all in this difficult time.

“ I want to extend my condolences to the entire Luce family on your loss. Ruth was always thoughtful and caring. When I would do a double shift she would call me at 6pm and say she is ready for bed so I can go home to rest from all the long hours. I would tell her it was too really to go to bed. We would just laugh. I will miss her.
