“ I didn't know Sally before she came to The Sheridan, but I had the privilege of getting to know her while she was there. I knew she was a teacher and loved it, I knew she liked to play golf and belonged to a league, I knew she loved to read, I knew she liked to take a nip of beer and actually shared one with me (non-alcoholic of course), I knew she fiercely loved her family, and I knew she had a heart of gold but also had a feisty side that made you smile. What a beautiful woman and life and I'm so glad I had the opportunity to know her. Sending blessings, peace, and prayers to her family and friends.

“ Bob, Jim and the boys! I met Sally after the disease effected her, but I knew what she was all about. I knew she was a women who lead with her heart, she loved everyone and to know her was to love her. The disease didn't take that away from her. There were people who came to visit her at Green Oaks who didn't know where she lived but spent months calling around retirement homes. A man who was a counselor at another school and another she worked out with after her heart surgery. I felt what they did...she was special and she made you better by being with her. I know how much she will be missed...there is/was no one like Sally. Her dressed in her red suite makes me smile. ❤️ You did good boys....she knew she was loved. Your wife/mom/sister now has her for eternity. Camille

“ *Sally was a special friend , epitomized what a counselor should be and was a major reason why our son stretched when it came to applying to colleges. That philosophy has changed his life. It was an honor to know her and be a part of the BHS faculty with her. She will be greatly missed by those who knew her.*

“ *LaVerne and I were sad to hear of Sally's passing. We have known her since 1994 when we were in the same Small Group at Willow Creek Community Church. Through the years we studied the Bible together, prayed together, partied together, vacationed together, and laughed and cried together. Sally was a sweet sweet lady and her vivacious personality added a great dynamic to our Small Group. She will forever be remembered for her always smiling face, her contagious laugh, and her totally color coordinated matching outfits! So many memories! She is now at peace in her Heavenly Home. Our Sympathy, Love, and Prayers,*

“ *Tom and I are so sorry to hear of the loss of one of our small group friends. We have known Sally for the past 20 years plus. We studied the Bible together, prayed together, went dancing together, and enjoyed life together. She was always full of life and enthusiasm and love. I know she will be missed by many people, including us!*

Most of all, her faith in our Lord Jesus Christ was apparent to all, and we know she trusted in Him as her Savior. So we are confident that we will see her again in heaven.

Our Love and Prayers,

“ We are sorry for your family's loss. Sally was a special friend. We had so much fun with activities involved in Barrington football. I remember the fish dinners at Villa Bleu in Fox River Grove, the many parties at their house, driving to all the games together, and taking our boys to the Homecoming Parade while waiting for candy in front of Majewski's gas station. Our boys got plenty of candy from the kids on the floats! Memories that are so special and will never be forgotten. Sandi and Tony (Coach) Rasmussen

“ Jim and Family, your mother meant so very much to me. She was a first cousin to my mother, Rose Ann Mazlo Schmidt, and played a part in life. When I moved to California in 1970, we always stayed connected. I always visited with your family whenever I came for a visit. Sally was loving, kind, and was always there for me. I last visited in 2009 and will always cherish her love and hospitality to me and my family. May she rest in the peace of our Lord forever and ever. God bless you all. With love, Lynda Auer

“ Sally was a beautiful person inside and out. She was my high school counselor and my neighbor across the street. I was good friends with her daughter Julie and whenever I would come over, she would always make me feel welcome. RIP Sally, you will be missed.
