“Sandy was a former neighbor of ours. She was a kind, considerate neighbor and we hated to see her move. She was a loving mother, daughter, daughter-in-law. We have hostas in our yard that she shared with us and they will be a reminder of her as long as we live here.

*Her loving care of her father is an example of her generous nature.*

*Andy and Chris, you had an amazing mother, but you know that already. Gone too soon.*
