But I would see him every year and considered him a very dear friend. We texted all the time. I have lost a very good buddy. He was a great family man and would always tell me about his wife and children!*

“ Temple, Lindsay and Ann,
You will be in my thoughts and prayers daily.
Scott's sense of humor was infectious.
We worked together at ABL. Which was
A family in itself. That's how I knew Scott and met
You several times. Know that there are friends around
You for support. God is also with you to guide
You if you let him/her.
Yesterday is gone, tomorrow might
Never come. Today is here. Just for today.

“ Scott was terrific. Friendship came easily for him. We saw together in Milwaukee his Terps drive the Badgers coach directly into retirement in 2000. We golfed and laughed. We found fun in the absurdity of our work life. And we uselessly filled out brackets.

“ Scott, We probably hit it off the first day we worked together at Schaefer's Pub. From there, the memories just keep coming back to me. Some of them make me smile, but most of them make me laugh. You've been a great friend for almost 30 years and I'll miss all the good times we haven't had yet. I will tell everyone about all the fun times we had: at the beach, Atlantic City, The Preakness, Laurel, Gulfstream, the bars in the worst part of Baltimore City because we had to have "one with the locals," Memorial Stadium, Schaefer's Pub, Mariner's, The Greene Turtle, any roadside dive that didn't have windows, because we wanted to see who was inside, and hating coach K and Duke. I promise to fill out a bracket for the Big Dance every year and have Maryland win it all!! I will miss your adventurous spirit, your sense of humor, and most of all, your friendship.
I hope you've found peace,
John

His professionalism, humor and genuine interest in whoever he was speaking with impressed me immediatley and was a positive influence on my career from that point forward in how to remain real and true to yourself in coporate America. “ I only met Scott once, about 33 years ago, as a distant In-Law type relative. I remember, our conversation immediately turned to High School Wrestling, since he was an active participant, and I had been involved 14 years earlier. Well, all of us Wrestlers, both the good like Scott and the not-so-good like me, have to stick together, so that is my comment. We were both proud of our accomplishments, as wrestlers. I have not seen that mentioned in the Obituary.

“ Scott was someone, in my job.. that you could count on. I've known him for 9 years and really doubt that a single month slipped by without some kind of meaningful conversation.
