“ *Donna,
Our little girls.....they worked so hard.....and they achieved so much. They became beautiful dancers with amazing technique and grace. But I always believed that their hearts and spirits are what shown through. When Kaitlin text me, she said, "things like this just shouldn't happen, Mom."*

Every year when I trim my Christmas tree, I place the Nutcracker ornaments that you and Shannon made for Kaitlin on the tree. I have the Archangel and the Chinese. The years of classes, rehearsals, competitions and performances come rushing back. I will think of you and Shannon and the mother / daughter love you shared when I place them on my tree this year.

I cannot even imagine.....

Love, Deedee Fitzgerald

In time I pray your hearts will find some comfort, and perhaps some joy, knowing she is with her creator and in a better place.
