“ I remember first meeting Sherry at Girls Camp. She impressed me as a dedicated leader and hard worker. I also remember her and Pres. Labrum at a Wilderness Youth Conference where, along with my husband Ron, we were parents of "new children", one of which was Tyler. What a strong leader he was in our group and you knew he had great "real" parents that had taught him. More recently, I remember the times I would see Sherry, while I was working in the temple. She always had a wonderful smile and a big hug and inquiry of how I was doing. I will miss her and those greetings, but look forward to seeing her again.

“ We are saddened by your family's loss. Sherrie was a great friend and a welcome sight at school & sporting events. We had many wonderful conversations & her smile was infectious. She always had words of encouragement. Her knowledge & love of reading were evidenced by her involvement with me in the Canterbury Book Club. We will greatly miss her & our hearts and prayers are will all of you family members.

“ Ron,

*It has been awhile since we last talked. I have thought of you and your wife often. I just received this news and want to let you know that while late in knowing, you and your family are in our prayers. While Russia is far away, we are still close friends and your great sadness is ours as well.*

*We love you and hope the months since Sherrie passed away have been reflective of all that is good in families and hope that each day the healing and miracles of eternal families are yours in abundance.*

*We love and respect you and your family*
