“ *Mrs. Bryngelson was my 3rd grade teacher and such a wonderful help to me. My father had died the year before and she was a daily source of encouragement and love to me. She really helped put me back on my feet at a time when I needed that so badly. As life went on, I've never forgotten her kindness to me and I am so sorry for the loss to her family. Condolences, Susan*

“ I am so saddened to read about Mrs. Bryngelson's passing. She was probably the best teacher I ever had.

*She inspired me to work harder and move up to the top reading group by letting me take books home (which was against the rules). She also instilled a love of music. She would play the piano in her classroom and teach us patriotic songs as well as Thanksgiving hymns. I still remember the words to "Stars and Stripes Forever" and "We Gather Together to Ask the Lord's Blessing."*

*Ironically I was in Lake Forest last weekend for our 40th high school reunion, but did not realize her service was going to be on Sunday. Had I known I would have attended. Aletha Bogan Evert*
