“ I'm very sorry to hear of Steven's passing. I was thinking about my mom, Royce, and her friends. Madeliene was one of her closest friends which started me thinking about my memories of playing with "Steven and Tommy" (that was always how we referred to you both). I thought I'd do a google search to see if I could find where you all were in life and found this. I'm very sorry and sad to see it, even though many years have passed. I have many happy memories from a long, long time ago with you all. - Natalie Whyte (Doran)

“ I am very sorry to hear about losing Steve... My thoughts and prayers are with his family, but I want everyone to know he was a true friend. He was mine for about 25 years, after we met working at Crown Books. And even after we were no longer working together, he remained my friend. His replacement at the store ended up being my wife. So where would I be without Steve? He was my best friend and I will truly miss him.

“ I met Steven at Hewitt, when I gave him a set of 8 cds containing SUSE Linux :)
We became friends soon after that.

Steven was a good person and I am sad that he is gone. I am so sorry for the loss in your family.

With warm regards,
Stephen

“ Steve was my colleague and friend while at Hewitt and long after. He was one of the calmest, well composed, and nicest guys that I knew. His passion for technology meant numerous humorous discussions about the merits of this and that. It was always fun to reconnect with him whenever we got the chance, and I will dearly miss him.

My condolences and those of my family to all his loved ones and friends.

“ I hope Steve's friends and family will accept my sincerest sympathies on his loss. I had the marked pleasure of working with him long years ago, at Crown Books in Skokie, bringing away fond memories of a young man who graciously tolerated more than his fair share of good-natured teasing, and know that he will be sorely missed.

“ Sending my deepest condolences to Steve's family. He was a very nice person. We worked together at Crown Books, and he proved that even nice, clean cut guys could ride motorcycles.

“ My condolences to Steven's mother and brother. I only knew Steve as a child when we grew up next door to each other in Wilmette - not, I believe, an always happy or easy time for Steven's family. My thoughts are with them.

“ Steve was a colleague and cube-mate while at Hewitt years ago. He was soft spoken but new his stuff. He enjoyed a good conversation about systems. He will be missed. My condolences and prayers are with his family.
