“ My contact with my sister in law, Sudarshna was not frequent. Yet I got to see in full measure her sterling qualities of head and heart which shone through brightly. Quiet and gentle in her manner, always generous with her love and never demanding anything in return, her very presence amidst us was comforting. With her departure we, as family mourn the loss of an irreplaceable rock solid anchor. May her soul rest in peace.

“ Mrs. Sudarshan Trikha, known to us as Meena Chachi, was very affectionate and kind hearted. I vividly recall that I first met her and our beloved Chacha ji in my parents home in London as a teenager. I remember she was very loving and made sweet uplifting comments/conversations. It was wonderful to spend time with them and to learn about Diki and Miki - our extended family in Chicago. As fate had it, I and my wife Sureeta moved to Chicago a few years later and enjoyed her hospitality in her home. She was a very gracious hostess and made us feel very much at home. She always made me a part of the family by referring to me as an elder brother of D&M. I will miss her warm smile and patting on my shoulder during our conversations. She will always be with us in our hearts. Om Shanti 🙏❤️
