

Susan J. Schrunk

June 11, 1951 - November 20, 2021

Susan J. Schrunk was born June 11, 1951 in Dubuque, Iowa. She attended The Visitation High School (1969) and the University of Northern Iowa (1973). She married John (Dave) Schrunk on May 25, 1973 and had 4 beautiful children, all raised in Dubuque.

Susan was a long-standing member of the Nativity parish until relocating to Round Lake Beach, Illinois in 2011 where she found a wonderful community at The Annunciation of Our Lady Episcopalian Church. Susan was an active member of the community, preparing the many Easter Vigil receptions, coordinating the Children's Chapel program, and chairing the annual Holiday Cookie Walk.

Susan enjoyed being surrounded by her 9 gorgeous grandchildren (Abigail, Riley, Charlie, Nathaniel, Vienna, John Peter, Addison, Lincoln, & Sonya) and would tell anyone who would listen how special each of them were. She especially loved watching them perform on stage or play their sports.

Susan passed away peacefully on November 20, 2021. The family is incredibly thankful to the doctors and staff at Advocate Condell Hospital for their great care.

Susan is survived by her husband Dave, children Brian (Louise), C.J. (Sasha), Samantha (Mike) & Elizabeth (Trent), all 9 grandchildren, siblings Anita (Jim), Ellen, Jim (Sid) & David (Chong). She is preceded in death by her mother Jane Schwartz, Paul & Frances Hevey, and brother-in-law Gary.

Services will be held at Annunciation of Our Lady Episcopal Church in Gurnee, IL on November 27, 2021 at 2:00 pm with a luncheon following at the church. The family requests those in attendance wear Susan's favorite color, blue. A memorial site has been established in Susan's name for donations to the Juvenile Diabetes Research Foundation in lieu of flowers. Arrangements by Burnett-Dane Funeral Home in Libertyville. “ *To Susan's Family*

My sincere sympathy and condolence on hearing of Sue's passing. I remember her from the family's ties with Nativity School and Parish in Dubuque. Sue was so generous with her time and talents, she was one of the first to volunteer and lend a helping hand when there was a need. I remember her as a person with a big heart and an even bigger smile. Please know that she is alive and well in each of your hearts. There is an old Eskimo legend that says the stars at night are really our loved ones shining and telling us all is well, I'm confident that Sue's star is one of the biggest and brightest in the heavens.

“ *Dave & Family,*

We are saddened to hear of Susan's passing. Gary has so many memories of working with her at the Ground Round. She was always so friendly to me and the kids, I remember always bringing them over on Halloween night. May you find comfort in all the great memories you have.

“ I did not know Susan but I know her son Brian. I know that she has raised a good hearted wonderful son. I am just a work related friend of Brians but if his mother was anything like him everyone that knew her should be happy and grateful to spend time with her. My deepest sympathy to Brian, wife, children, husband and family. Prayers are sent your way.

“ I will always remember how Susan would always welcome me when we got to see each other. I enjoyed each and every visit that we had together. She will always be so proud of the wonderful adults that her 4 children have become, and we would sit and talk about our grandchildren every time we saw each other. I know she is in a better place with no more sickness. And I know she will be in each of your hearts forever along with mine. I love you all and know that I am just a phone call away, always ready to listen. ❤️ Debbie Sabin
