“ I had the pleasure of being Susan’s hairdresser for several years, but lost touch after the pandemic hit us. I enjoyed the time spent conversing with her. I will always remember what a fine person she was and will miss her sorely.

I am “the other lady from Michigan.” We did research on Susan’s family on behalf of a “long-lost cousin” and I had the great pleasure of being in the room when she received a phone call on her birthday from “Billy Sam.” I remember her delight when we shared new information about her ancestors. Love to her family. Barbara, formerly from Michigan.
